On September 13, JIU celebrated the 2016 Fall Entrance Ceremony in Mizuta Memorial Hall at the Togane Campus (Chiba Prefecture). JIU has been holding the fall entrance and graduation ceremonies mainly for international students.

Chancellor Noriko Mizuta delivered an address: "In the world where the peoples with different cultural backgrounds coexist, it is necessary to respect diversity and take advantage of the benefits it provides. I hope all of you face the significant social changes that are taking place in the world as members of Josai International University and act as members of global society with an in-depth understanding of the relations between Japan and the rest of the world."

This year, JIU welcomed new students from 17 countries. On behalf of these countries, numerous international students gave introductory speeches in their native languages. A new exchange student from Taiwan,

Kaiming Jiang, of the Faculty of Tourism, made a pledge: "We, the newly enrolled students, will respect the spiritual legacy of JIU's founder: 'character building through learning' and grow as humans who would play an active role in the international community."
